TOWN TOPICS.

AN EXCITING EALL GAME.

Bethel Nine Victorious. The Men's Federation baseball team went to Bethel on last Saturday and at 5 o'clock the Bethel team had them all lone up to the tune of 7 to 5. My, but it was a hard game to lose. Bethel came to Newtown earlier in the season and we hit the dust. They came another time and Newtown won, 20 to 6. Newtown had lopes of victory in this third and deciding game. But it was not to be. All the fans were out but it was of no use. It looked after the first two innings as if Newtown was going to repeat and have a glorious victory, for the score was 5 to 6. Newtown did not score again and that is all we had. Bethel commenced to score in the third inning. Brinton, who was pitching for Newtown, fielded a slow grounder, but instea, of pitching it to Morris on first, he let it drive to a coacher who was standing very near first base and who held up his hands as if he were going to atch it, and then let it go by. That started the runs. They got two in this inning, two in the fourth inning on errors by the Newtown boys, two in the sixth and one in the eighth. A little accident happened in the sixth inning. Steele, who was playing second base, stopped a grounder and Ambier, who was on first base, deliberately ran into him knocking the ball from his hand and injuring him quite badly. This was the only unlucky thing that happened during the game. Balley and Robinson were the batery for Bethel. Balley did splendid work after he settled down. Brinton, Bradley and Driscoil did the honors for Newtown. Following is the score:

16 Bassett 1b, Robinson c. Hanna cf. Underhill 3b, Ambler rf. 7 12 27 NEWTOWN.

Brinton p. ss. Driscoll c. Shepard rf, Hayes lf.

Newtown Summary: Bases on balls: off Balley 1; off Brauley 1. Hit by pitcher: by Bailey 2. Stolen bases: H. Eradley, Basest, Brody. Passed balls: priscoll 2. Docble-plays: Carlson and Steele: Steele and Morris; Steele unassisted. Umpire. and Morris; Steele unassisted. Umpire. Mr Bennett. Scorer Mr Houlinan. Time of game, 1.30. Attendance 250.
